It is my pleasure to write this letter of referral. Richard B. Souder Masonry Inc. has had a professional association working as a subcontractor on your jobs for seventeen years. Your experience, competency and abilities are an inspiration and goal for other contractors to strive for. Attention to detail is evident throughout the project, from the blue prints to completion of the job. Your job sites are clean, organized and efficiently managed. Under your supervision, each subcontractor is able to complete their portion of the project in a smooth and timely manner, eliminating wasted time and delays.

Your caliber of workmanship and quality is apparent in the completed projects. I look forward to working with you on future jobs and am happy to be included as a reference for any of your prospective clients.

Sincerely,

A handwritten signature in cursive script that reads "Richard B. Souder Pres.".
