

Roger S. Wright
FURNITURE, LTD.

To Whom It May Concern,

Roger S. Wright Furniture, Ltd. has worked in conjunction with David Brooke Rush Builders on several major projects. As a cabinetmaker, we are one of the last people on a project. We have worked with numerous contractors over the years, and have found that DBR Builders projects have been extremely well organized and are consistently on schedule. Brooke has a great eye for detail that is lacking in some contractors. Any questions that do arise are dealt with quickly and efficiently.

I have and will continue to recommend DBR Builders to my clients.

Sincerely,

Roger S Wright, President
Roger S Wright Furniture, Ltd.
