Dear Brooke,

I am finally writing to you to express my thanks for a job well done.

From the beginning of the project to the very end it was an excellent experience.

I was constantly amazed at the level of professionalism, not just by you, but of everyone on your staff. Your workers did an excellent job. The quality of work... outstanding. Each day that I came home it was great to see the progress they made and the fact that they cleaned up each day and I could sit and admire their work was an added plus. We feel that you were able to understand our needs (and our budget) and designed a beautiful remodeled living space that we can be proud of.

I enjoy my living room and kitchen more than ever.

As stressful as it seemed at times, your wit and humor was always welcome and appreciated. There were times when my husband and I would disagree and your levity always brought things back around.

I can honestly say "you exceeded our expectations".

I am proud to recommend you to friends and family that are looking for someone with your talent and abilities.

Thanks again,

Best Regards,

Deb and Wayne Benner
