To Whom It May Concern:

GOOD PLUMBING, HEATING, AIR CONDITIONING, INC. has worked with DAVID BROOKE RUSH BUILDERS for more than 25 years. Our companies have worked together to provide homeowners with a product that includes attention to details and quality workmanship. Each project requires its own specialized attention. By working side-by-side with Brooke and the homeowner, Good, Inc. is able to design heating, cooling, and plumbing systems that are specifically suited to the projects needs.

Brooke has been a pleasure to work with through the years. His construction plan is well organized; keeping to time schedules and maintaining a clean and safe working environment. His men are skilled craftsmen, showing a caring and courteous attitude to each new project. Brooke's experience in the building industry, along with his innovative ideas, makes him a leading choice when building or renovating a home.

GOOD PLUMBING, HEATING, AIR CONDITIONING, INC. looks forward to working as a subcontractor with DAVID BROOKE RUSH BUILDERS in the future. With their highly qualified craftsmen and our skilled mechanics, we feel we work well as a team.

Sincerely,
